

Working and living in Germany 01.01.2020 – 31.12.2020

The seminar is aimed at refugees from different countries and people with immigrant background who already live in Germany for a longer time, are getting benefits due to SGB II and are able to work. We offer you assistance to achieve the fastest possible integration into the labor market.

You get help and support of experienced trainers who want to develop together with you and for you perspectives for access to the labor market and accompany you during the entire seminar.
